**The Eminent World Championship Mice are special designed mice for the World Championship of 2010. These mice are ideal for home use, office use and travel use.**

**No drivers needed, just plug in and go!**
You don't need drivers, these mice work out of the box. Simply plug into an available USB port and use it instantly!

**With optical precision and power saving**
Enjoy optical precision thanks to the 800 dpi sensor. The mouse works on almost every surface. The Eminent mouse is also equipped with a power saving function.

**For use wherever you are**
The Eminent Mouse is fitted with a retractable cable and has a scroll wheel. You can use it at home, in your office or when you are on the road.
